Jason Aquino

FCCLA Districts

The Turpin Family, Career, and Community Leaders of America (FCCLA) chapter traveled to Cherokee, OK for the District FCCLA meeting. FCCLA is formerly known as Future Homemakers of America (FHA). Turpin has not had a FCCLA chapter in over 15 years. FCCLA's mission is to promote personal growth and leadership development through Family and Consumer Sciences education. Focusing on the multiple roles of family member, wage earner and community leader, members develop skills for life through: character development, creative and critical thinking, interpersonal communication, practical knowledge, and career preparation. The speaker at the District Meeting was Kelly Barnes from Norman, OK. He spoke on the importance of appreciating small life moments and being present in the here and now. All of the schools that attended district meeting brought canned goods for Cherokee's food pantry. Over 500 canned goods were collected. Turpin Schools are excited to see the great things these FCCLA students will accomplish for their families and their community.
