### Win-Win Week

On October 23rd through October 27th Turpin School had it's annual Win-Win Week put on by the Turpin Student Council. This year the purpose of the win-win week was to support Osteosarcoma and Breast cancer by raising funds to donate to a cancer research center. In order to raise funds many different activities and events were put on throughout the week brought forward by the Turpin Student Council. These events included: penny wars, dodgeball games, powderpuff, and a traditional act of releasing balloons at the halftime of the high school football game that Friday. Dodgeball took place on Tuesday October 24th where 6 teams made up of Turpin students and faculty participated in a war of flying projectiles. The almighty winning team of the first sports event for the week was Not Fast Just Furious. When the second round of sports came this time it took place on the field. Powderpuff. In this version of flag football just the cardinal girls took part in the touchdown competition. The teams were divided by grades where one team was made up of the freshmen and the juniors and the other team was made up of the sophomores and the seniors. The winning team of the powderpuff competition were the Freshman and the Juniors. During the whole week, all grades in the school participated in the penny wars. In penny wars each grade competes to have the most pennies accumulated at the end of the week, but the only way to receive a positive amount is by adding pennies. Any silver coins or dollar bills will result in a negative amount. The war went on for the whole week and the grand winner of the war was the seventh grade with the total amount of \$5.97. Also, during halftime of the Turpin Cardinal Football game, any one who bought a pink balloon could release the balloon in loving memory of someone they lost to cancer or in recognition of someone who is currently fighting cancer.

1st place

Dodgeball

## PowderPuff

Blue Jerseys = Freshman & Juniors  
Red Jerseys = Sophomores & Seniors

## PowderPuff Cheerleaders

# The Turpin Pride Band at OPSU

## Snooze at the Zoo! 4-H

This year the 4-h club took a special trip to the Oklahoma City Zoo where they had the chance to stay the night in the zoo and see some pretty incredible animals! 13 4-h members left Friday the 27th to go to the zoo. They arrived and were let in at 6:30pm Friday evening. They then went to listen to an informational speaker talk about endangered species they had in the zoos like armadillos, chinchillas, and turtles. Once the sun went down the club members had the chance to see the nocturnal animals that other guests never have the chance to see. After that the members slept in the zoo auditorium. In the morning they woke up and had breakfast and got the chance to see the animals early in the morning before anyone else would be let into the zoo. 4-h leader Mrs. Rorabaugh said "It was a really neat experience for the kids to see the animals in a different way"
